

Ruia Language Laboratory

Language is the armory of the human mind, and at once contains the trophies of its past and the weapons of its future conquests.

- S. T. Coleridge

Ramnarin Ruia Autonomous college has a well-established, furnished and fully functional Language Lab which was established in the academic year 2014 - 2015. The language lab has 1 teacher console Computer, 10 student console computers and 10 headphones (with mic). Orell and iLotus are the Language Learning Software used to teach basic language skills i.e. listening, speaking, reading and writing.

Since the academic year 2014 - 2015 the English Department has been regularly conducting language lab certificate courses which are open for students of all the streams and colleges. These courses have been well appreciated by both students as well as parents.

The objective of the Language Lab is to make the process of learning english language and english grammar interesting.

Following skills are achieved through Language Lab:

1. Pronunciation and word stress
2. Vocabulary
3. Listening, Speaking, Reading and Writing skills
4. Learning American English and British English accents etc
