

**Action Taken Report
(2019-20)**

The feedback obtained from various stakeholders was discussed and analyzed in the department meetings and valuable suggestions were put forward in BoS meetings and those which are passed in BoS meetings are incorporated in the syllabus.

Action recommended	Action taken
Application based study need to be included	Modified the syllabus from UG to PG and added application of Algae, fungi, Bryophyta , Pteridophyta and Gymnosperms in the syllabus of 2020-21
Demonstration and handling of technical instruments can be added as a part of assignment	Added this as a part of the assignment and as workshops for PG students
Maximum field studies can be conducted in each semester	Though field visits were planned could not fulfil due to lockdown.
Demonstrations of molecular biology practicals like southern blotting	Included in the practical of 2020 onwards

Prof. (Dr) Jessy Pius
Head, Department of Botany
