Action Taken Report

(Year: 2023-24)

The feedback obtained from various stakeholders was discussed and analyzed in the department meetings. Valuable suggestions received from various stakeholders were presented in the BoS meetings and the suggestions that were passed by the BoS members have been incorporated in the syllabus. Our alumni's who are BoS members continuously provide us their feedback to design and frame the syllabus.

Action recommended	Action taken
To introduce cutting edge technology subjects	In MSc we have introduced courses like Generative AI, Middleware technology, Software Design Patterns, Human Computer Interaction
To introduce interdisciplinary course	In MSc we have introduced Bioinformatics course
To give more emphasize on practical's	In BSc we have introduced the course on Mobile Developments that has only practical components that emphasizes more on practical aspects.
