**Curriculum Feedback Analysis Report (STUDENTS)
(Year: 2020-21)**

Details and Parameters of the analysis:

Participation of Students plays an important role in internal and external quality assurance of the institution. Online feedback is collected from our students annually. A google form consisting of multiple-choice questions with descriptive options was shared with the students. The analysis is done on the 5-point scale that evaluates the responses on 5 paraphrasing grades. In this scale the highest number 5 indicates Excellent and the lowest number 1 indicates Bad. A total of 09 questions were included in the form centered around the following rubrics:

1. Knowledge and Concept
2. Analytical Abilities and Skill
3. Employability
4. Coverage of course through practical
