Curriculum Feedback Analysis Report

Department of Marathi
(Year: 2023-24)

Students Feedback

Feedback on the curriculum was collected from students in the following areas:

1. Knowledge and Concept
2. Analytical Abilities and Skill
3. Employability
4. Coverage of course through practical

Analysis of the Feedback

Students acknowledge improvements in their critical reading, literary analysis and interpretation skills. Students value the exploration of diverse literary genres, periods and authors which expands their understanding of cultural and historical contexts. As per the feedback from the students, the syllabus seems to be relevant to them. They are experiencing the development of skills such as communication, writing proficiency, critical thinking, analytical ability etc.

Alumni Feedback

Feedback on the curriculum was collected from Alumni in the following areas:

1. Knowledge and Concept
2. Analytical Abilities and Skill
3. Employability
4. Coverage of course through practical

Analysis of the Feedback

Alumni appreciate when feedback from previous cohorts is considered to improve the course content, teaching methods etc. According to them, the syllabus is very diverse with an interdisciplinary perspective which makes the curriculum more relevant and inclusive.

Writing essays and papers on literary topics improved their writing ability and clarity. Marathi Literature has developed empathy in them. Alumni are experiencing that their literary studies are contributing to their careers like writing, Editing, Publishing, Journalism and other fields which require Strong Communication and Analytical Skills.

Teacher Feedback

Feedback on the curriculum was collected from Teachers in the following areas:

1. Content Clarity and Quality
2. Relevance to contemporary issues
3. Relevance to skill
4. Practical Relevance

Analysis of the Feedback

Teachers often give positive feedback on the Marathi Literature course for its ability to intellectually stimulate students, broaden their perspectives and foster a deeper appreciation for literary arts. They appreciate when Literature students actively participate in discussions and do literary analysis. Teachers highlight how studying Literature enables students to understand the narratives. The persuasive techniques, managing communications, abilities in crafting documents, and blending all of them make Literature students perfect for Content Writing, Journalism and Media Production.
