SYBA

Paper II- PUBLIC ADMINISTRATION AND INDIAN ADMINISTRATION

Preamble

Public administration is a branch of study that deals with public policy and its implementation. It is also the study of the organization of bureaucracy and its working. The discipline has a diverse scope that includes the study of government's decision making and the analysis of the policies as well as the behaviour of governmental officials. In a nutshell, the discipline of public administration covers the development, implementation and study of Government's policies

Learning objectives

To make the students familiar with

The mechanisms operating in the major political institutions for forming and implementation of public policies

The various social, economic and political forces and actors that are engaged in and influence policy making process

The students will be familiar with bureaucratic principles and procedures.

Learning outcomes

The students understand the key public issues and the ethical framework within which the political institutions operate, understand the interactive role of government organizations with business and non-profit sectors in planning and implementing public policies. The students also apply leadership theories and techniques to understand Government institutions.

Politics Paper V: Understanding Politics through Films

Preamble

This paper deals with specific historical- political-social- economic themes, some of them with global dimension, that capture the mood of India during and after 1947. It will examine the political messages communicated through various films on events and issues of significance to India.

Learning Objective

To help interpret and evaluate the connections between popular culture and how political themes and values are expressed through the cinema and encourage participatory learning.

Learning Outcome

The students will be able to analyse political concepts and events, public policy, political behaviour and visions of politics and society as presented in films. It will help develop critical thinking the skills of description, appreciation and interpretation and promote independent thinking
