

Academic Year 2020-21

Guidance for Competitive Exams

<https://ruiacollege.edu//UserPanel/DisplayPage.aspx?page=gacsg#5.1.4>

In the academic year 2020-21, due to worldwide lockdown, almost all activities for guidance for competitive exams were conducted online only.

In a series of sessions students were introduced to various Competitive exams. During these sessions, students were guided for preparation of these exams with more emphasis on topics like Epigenetics, Protein biochemistry, Congenital immunodeficiency. 76 students participated in these sessions. All students interacted very actively.

In another online session called 'Vyakhya', students were introduced to different entrance exams in biological sciences. Students were trained for preparation of these competitive exams. During the active session, students were provided with PYQs to solve in real time. It was again followed by active interaction with resource persons. 50 students.

Set of online sessions was conducted by RACE to orient students towards MPSC, UPSC and other exams. Individual session was focused on preparation of specific subjects like History, Mathematics, Chemistry, Economics, Statistics, etc. These sessions were attended by 500 students.

A 'Vyakhya' session was conducted to introduce students to different exams to pursue careers as well as to get into higher education in reputed institutes. A session consisted of introduction as well practice activities to prepare for these exams.

A session on guidance of Competitive exams was organised by Ruia Academy for Competitive Exams (RACE) in collaboration with the Botany department of our college. These sessions were attended by 110 students.
