

Compliance Report of **Library Audit** - 2019-20 to 2023-24

Sr. No.	Suggestion	Compliance
1	Purchase Policy needs to be formalized.	A separate section for Acquisition has been added in the Library Policy.
2	More Computers should be strategically located in the library for searching OPAC and use by students.	Requisition for the same has been sent to the college authorities.
3	OPAC should be provided on the library website.	Done.
4	A proper server room with a good capacity server for maintaining the library data should be kept.	Requisition for the same has been sent to the college authorities.
5	Suggestions for acquisition should be collected from students and staff in a specific form rather than writing in a notebook.	A new "Library Acquisition Suggestion Form" is created.
6	Wi-Fi should be provided to students within the library and reading hall.	Requisition for the same has been sent to the college authorities.
7	Workshops for enhancing reading skills can be organized like speed reading.	A plan for such workshops is in process, it will be conducted in coming times.
8	Best Reader Award should be instituted.	This award will be started from 2024-25.
