Dear Students,

Hope you all are doing well. I can understand that you must be anxious about your examinations. As per the current situation with respect to COVID-19, we will not be holding any examinations till 31st of March 2020. Depending upon the prevailing situation next week, further instructions will be issued regarding your examinations. Please see our website regularly for any updates. Till then I request you to stay at home and do not get stressed. I suggest you continue your preparations for the examinations. At the same time do regular exercise, eat nutritious food. Taking care of your health is of utmost importance at this point in time. Also take care of elders in the house. If you have spare time, you can use it constructively by doing free online courses available on various e-learning platforms like NPTEL, Swayam etc.

Stay healthy, take all the necessary precautions to avoid exposure to Corona Virus. Be a responsible citizen.

For any queries regarding examinations you can mail at [examinationcoordinator@ruiacollege.edu](mailto:examinationcoordinator@ruiacollege.edu)

Regards,

Dr Anushree Lokur

I/c Principal
