

Ramnivas Ruia Junior College

Matunga

Instructions to be followed for FYJC admissions 2020

Candidates who have been allotted Ramnivas Ruia Junior College for FYJC (both Arts and Science) are requested to note the following steps to complete the admission procedure.

1. Accept the allotment to this college online by clicking '**PROCEED FOR ADMISSION**' tab on admission website <https://mumbai.11thadmission.org.in/> through your LOGIN.
2. Return to the Ruia college website.
3. Find the zoom link for taking admission on the virtual platform from home. The admission will be confirmed on the zoom link by teachers.
4. The student will be given instructions when they join the zoom link.
5. The student will have to write name, allotment no. mobile no and email id in the chat box.
6. Please leave the zoom link once you are admitted to the college.
7. The student will then receive a text message/WhatsApp from the college on the registered mobile number giving link to fill college admission form online. Follow the link, fill the form and upload a pdf of documents needed.
8. Once the form is submitted online the students will receive a link on their registered mobile number. Make payment of fees as directed.
9. Both Arts and Science students must select the optional subjects carefully as change of subjects will not be allowed later.
10. Science students are advised to select the language that they have already studied in school as their 2nd language.
8. Science students who want to opt for Bifocal Subject have to fill up an option form which will be available on the Ruia College website only after the 3rd round of Government admission is over.
9. Admission for Bifocal subject will be given strictly on merit and according to the quota matrix as prescribed by the Government.
10. The fee structure for the Bifocal subjects is available on the Ruia College website.

11. Students are supposed to refer to the fee structure before applying for the Bifocal subjects.
12. Notification about the College Orientation, commencement of lectures etc. will be given on the website and messages sent to students on the registered mobile no.
13. All students are requested to look up the college website regularly for further instructions.
